

# STOP: Meat plant next to place of worship.

On Tuesday 13 August 2013 Bradford Council approved a planning application by Pakeezah Supermarket to open a meat processing plant directly behind **Guru Gobind Singh Gurdwara** (Sikh Temple), off Leeds Road, Bradford.

**ACT NOW:** We need as many **PETITION SIGNATURES** as possible! To appeal against the decision.

Sikhi respects all life therefore meals in Gurdwaras are strictly vegetarian. The meat plant near the Gurdwara will be processing lamb, sheep, cow and chicken carcasses seven days a week! This is disrespectful and extremely hurtful to the whole community nationally and internationally.

**UNITE AND STOP THIS MEAT PLANT. PLEASE SHARE:**
